

Scenario #3: Rate Game

Description

This test scenario covers a user rating a game, while signed in and being unable to while signed out

Test Scripts

The following scripts will cover this scenario:

- 1.1. Rate While Signed In
- 1.2. Rate While Signed Out

Use Case

1.2. Rate Games

When authenticated User

Wants to rate a game within the system they can simply do so on the browse page itself

So that they can provide specific ratings to the games they desire and can also post their speak in relation to the game as feedback

Extends use-case 1.1. (Browse Games)

Test Components/Requirements

This test scenario covers the following high-level test requirements (see scripts below for specific requirements covered by each test script):

- Authentication
- Persistence
- Game Rating

User Groups

- Average user

Script 1: Rate While Signed In

Description

- An authenticated user will visit any game page (<http://violet.blacklotus.cc/game/...>)
- User attempts to rate a game
- Observe the result - The game's average rating should be altered
- User refreshes the page and observes their rating has been persisted

Setup

- The testing user should ensure they are signed in to a valid account

Step #	Test Step	Expected Test Results	P	F
1.	Visit the site's front page	Site loads with no errors		
2.	Click any game card from the front page	User is taken to the game page		
3.	Select a rating that is different to the current game's average rating and click "Rate"	The average rating displayed is updated to correctly reflect the user's rating		
4.	Refresh the page	The average remains at its previously displayed value		

Date/Time	Tester	Test Phase	Status
04/10/17 10:15	Shailesh Jha	Alpha	Passed

Please refer to the screenshot below:

The screenshot displays the game page for 'Subsurface Circular' on the YMD website. The page features a dark theme with a blue and orange color scheme. The game's title 'Subsurface Circular' is prominently displayed in a stylized font. Below the title, there are tags for 'Steam', 'Adventure', 'Casual', 'Indie', and 'Single-player'. The overall rating is shown as 7.0 (4.0) with a large '7.0' badge. The fun rating is 10.0 (0.0). The page also includes a brief description of the game: 'A detective stationed on the Subsurface Circular investigates a series of disappearances among the city's robotic'.

Script 2: Rate While Signed Out

Description

- An unauthenticated user will visit any game page (<http://violet.blacklotus.cc/game/...>)
- User attempts to rate a game
- The user is not permitted to do so

Setup

- The testing user should ensure they are not signed in to a valid account

Step #	Test Step	Expected Test Results	P	F
1.	Visit the site's front page	Site loads with no errors		
2.	Click any game card from the front page	User is taken to the game page		
3.	Attempt to select a rating and click "Rate"	The option to select a rating and rate the game is not available and the user cannot rate the game		

Date/Time	Tester	Test Phase	Status
04/10/17 10:25	Shailesh Jha	Alpha	Passed

Please refer to the screenshot below:

The screenshot shows a web browser window with the address bar displaying violet.blacklotus.cc/game/63893/Bubble_Rush. The page features a banner image for the game 'Bubble Rush' with a large '0.0' rating displayed in a white circle. Below the banner, there are tags for 'Steam', 'Action', 'Adventure', 'Casual', 'Indie', 'Partial Controller Support', 'Single-player', and 'Stats'. The description reads: 'Welcome to planet Bubbleopolis, a majestic blue planet covered in oceans and floating islands. Bubbleopolis is also home to the elusive "Lotus-a-greatus", an animal that has evolved as a flower. Travel around Bubbleopolis while enjoying our scenery and hospitality. Sit back, relax, and forget your troubles.' Below this, another paragraph states: 'Bubble Rush is a game of peace and calm, a place to leave the ordinary world behind. Hours of pleasure peaceful popping placid bubbles beyond bad brain bulldozers.' On the right side, there is a section for 'Overall Rating: 0.0' with a row of ten empty stars, a 'Fun: 0.0' section with another row of ten empty stars, and a blue button labeled 'Sign in to rate'.
